WOLFGANG MARSCHHAUSER PROMOTED TO VICE PRESIDENT OF SALES

LAKE SUCCESS, NY, APRIL 8, 2011: As of June 1, 2011, Wolfgang Marschhauser has been promoted to the position of Vice President of Sales with responsibility for both the Transervice Sales Organization and Logistics Design Group. Wolfgang's 30 year tenure within the logistics and transportation industry, including 11 years with Transervice and 15 with Ryder, coupled with his industry experience, made him a natural successor to Robert Poduch, who after nearly 30 years of service, has decided to retire from Transervice effective May 31.

Mr. Marschhauser is well known throughout the industry for his ability to truly understand the process and resolve complex client needs within his present position as the Director of Sales. Having been on both sides of the fence, as both the shipper and supplier, has made him a significant asset to both Transervice and its clients. In his new capacity, he will be based at the Transervice headquarters in Lake Success, NY and can be reached, as follows:
